

**“ONE WORLD” A Bollywood Musical
To benefit The Food Bank of Delaware**

Dear IAAD Team,

Dance JHANKAAR over the years has worked with many charities to help raise funds for their causes. In 2015, as a dance school, we took on a fundraiser for Uplift A Child in India, and we feel blessed knowing that every dancer and donor’s efforts helped raise more than Forty-Six Thousand Dollars in funds. This year our dancers are gearing for another challenge, A Charity Fundraiser to benefit The Food Bank of Delaware “ONE WORLD” A Bollywood Musical on Saturday, May 19, 2018.

Our school philosophy is crossing cultural barriers through dance and teaching our youth the values of culture, community and service through talent and time.

We as a team would like to be a big part of the beautiful new project IAAD has taken upon to build an Indian Cultural Center. We want to help in our small way by donating 20% of the ticket sales of “ONE WORLD” A Bollywood Musical to IAAD.
